Mission and formation • an introduction

Welcome to the Sisters of Charity Heritage Centre. Enclosed in a guide for formation leaders to assist you in planning your visit to our centre. This kit is designed for groups who will be self-guiding through the exhibition space. Guided tours are also available from one of our Sisters. If you would prefer a personalised tour, please book this in advance. Our guided tours can be tailored to meet your specific areas of interest so please let us know what we can do for you.

Following is a site plan and brief explanation of what you will find in each section, along with recommended timings for your self-guided experience depending on the length of your visit. Heritage Centre staff are always on site to assist you with questions regarding the exhibition.

Groups utilising the meeting space on level 2 have access to private facilities including rest rooms and a kitchen and are we able to arrange catering services prior to your event.

Included in our Mission and Formation guided tour is a visit to St Vincent's Chapel, where many of the Sisters of Charity have professed their vows. The contemplative courtyard between the Heritage Centre and the chapel is also available for prayer and quiet reflection.

COVID advice: The Sisters of Charity Heritage Centre is committed to protecting the health of our visitors, volunteers, and staff. Visitors are required to provide their name and contact details on arrival to support contact tracing in line with NSW Health rules and our COVID-Safe plan. We will continue to monitor the advice of NSW Health accordingly and update our guidance as appropriate. Our current guidelines can be found [here](#).

We hope you enjoy your visit to our centre. If you have any further questions to help plan your visit, please do not hesitate to contact us.
